

Systems Sustainment Alliance

A Small Business Joint Venture

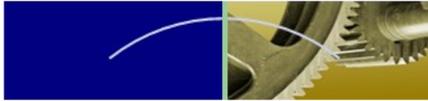

Engineering & Logistics

ESOH & Training

Manufacturing & Qualification Testing

Design & Engineering
DESP III
Support Program

Why Use DESP III?

- Broad and flexible work scope
- Rapid award of urgent task orders
- Available to all Government Agencies
- Streamlined competitive award process
- Supports all contract types
- Pre-negotiated fixed rates

Objectives

Reduce Life Cycle Costs
Increase System Operational Life
Improve System Performance
Improve System Sustainment
Improve System/Personnel Safety
Provide Engineering Services
Provide Training

Customers

U.S. Air Force
U.S. Army
U.S. Navy
U.S. Marine Corps
U.S. Coast Guard
Defense Logistics Agency
Other DoD Agencies
